

July 23, 1956

25X1A9a

MEMORANDUM TO:

[REDACTED]  
Acting Chief,  
Management Staff

SUBJECT : Evacuation of Indispensable Records to  
Relocation Site

REFERENCE : Your memo of 23 July 1956, same subject.

A review of this agencies indispensable operating records at this Relocation Site indicates that they are contained in 18 file drawers and that their total area volume is approximately 36 cubic feet. All the records of our agency at the site are considered indispensable.

25X1A

In response to [REDACTED] message of July 22 this staff, after review, advised the agency levying the requirement on the subject that our records can be moved to a new location in the event that fallout requires evacuation of this relocation site.

FOR THE EXECUTIVE SECRETARY, NSC
